### Oregon Healthcare Providers and Pharmacists Query Site

The Oregon Prescription Drug Monitoring Program (PDMP) is a tool to help healthcare providers and pharmacists provide patients better care in managing their prescriptions. Oregon Revised Statute 431.962 requires the Oregon Health Authority to establish and maintain a PDMP system for the reporting of all Schedules II, III and IV controlled substances dispensed by Oregon-licensed pharmacies to Oregon residents. The protected health information is collected and stored securely. The program was started to support the appropriate use of prescription drugs. The information is intended to help people work with their healthcare providers and pharmacists to determine what medications are best for them.

The Oregon Health Authority grants system access accounts to licensed healthcare providers and pharmacists and their staff. By law access to PDMP information by authorized system users is limited to patients under their care.

### Oregon Healthcare Providers and Pharmacists Query Site

#### Query Creation Tip

Make your query as general as possible and then drill down to more specific information once you have identified the person for whom you are looking. For example, you could enter the last name of the individual, the first letter of the first name, and a birth date, and then click Next. When the preliminary results are displayed on the screen, you can highlight the person that you want to query and then click Submit to submit the query for processing.

If you enter a specific birth date for an individual and the query results are blank, click the Within field just below the Date of Birth field and resubmit the query with a wider date range, for example, within two years of birth date, to create a query with broader search criteria.

Once you have submitted the query for processing, you will be redirected to the Report Queue. In the Report Queue, click the Job Sequence ID number to view the report you requested. If the Job Sequence ID is not a hyperlink, click your browser's refresh button. The Job Sequence ID will appear as a hyperlink when the report is ready for viewing.

# Liability Statement

The screenshot shows the Oregon Prescription Drug Monitoring Program (PDMP) website. At the top left is the Oregon.gov logo. The main title is "Oregon Prescription Drug Monitoring Program" with a background image of a beach. Below the title is a navigation bar with links for Home, Query (highlighted), Report Queue, User Management, Help, and Quick Links. A Log Out link is on the right. On the left side, there is a yellow sidebar with navigation options: Recipient Query (highlighted), Prescriber History Query, and Prescriber DEA Query. The main content area is titled "Oregon PDMP Liability Statement for Provider/Pharmacist" and contains several paragraphs of text, a checkbox for accepting terms, a disclaimer, and a final instruction to accept conditions before continuing.

**Oregon PDMP Liability Statement for Provider/Pharmacist**

I certify that I have read and accept the Terms & Conditions of Account Use Agreement and have been approved by the State of Oregon to access information in the Prescription Drug Monitoring Program (PDMP) database.  
I certify that the patient for whom I am requesting PDMP data is under my care or the care of the healthcare provider who authorized me delegate access or is seeking to have a Schedule II, III or IV controlled substance prescription filled.

I understand that I am responsible for all use of my user name and password and that I am prohibited from sharing this information with any other individual or entity including medical assistants, staff, and co-workers.

I understand that inappropriate access or disclosure of PDMP data is a violation of Oregon law and may result in criminal, civil, or administrative sanctions, including disciplinary action by the appropriate licensing board and/or my employer as well as revocation of my database access privileges. I agree to treat any information accessed as confidential and will reasonably ensure the privacy and security of the information pertaining to my patient.  
I understand that the PDMP will conduct auditing activities to monitor for unusual or potentially unauthorized use of the system.  
I understand that patients can request a copy of their record that contains a list of who has accessed their record and may question my authority to access to their information.  
I understand the PDMP database is not intended to provide any advice regarding diagnosis and treatment.

I accept the above conditions and certify that I have met the requirements to be eligible to access the Oregon PDMP database.

**Disclaimer:** The Oregon PDMP makes no claims, promises, or guarantees about the accuracy, completeness, or adequacy of the contents of this report, and expressly disclaims liability for errors and omissions in the contents of this report. The records herein are based on information submitted by pharmacies. Records in this report should be verified with the patient before any clinical decisions are made or actions are taken. Access to the record of an individual who is not a patient under the care of the person accessing the record is not permitted by law.

**You must accept the above conditions before you can continue.**

You must agree to the liability statement every time you conduct a query. The more in depth “Terms and Conditions” should be read thoroughly by every user and can be found at [www.orpdmp.com](http://www.orpdmp.com).

# Recipient Query

The screenshot shows a web form titled "Recipient Query" with a sidebar on the left containing "Prescriber History Query" and "Prescriber DEA Query". The main form area contains the following fields and annotations:

- (This is test data)** - A large text annotation at the top of the form.
- \*Last Name:** Text input field containing "Purple". A red arrow points to the asterisk.
- \*First Name:** Text input field containing "Lara". A red arrow points to the asterisk.
- Search Method:** Dropdown menu with "Fastest: Last name equals, first name begins" selected. A red arrow points to the field.
- \*Date of Birth:** Date input field containing "mm/dd/yyyy". A red arrow points to the asterisk.
- Within:** Dropdown menu with "Exact Match" selected. A green arrow points to the field.
- County:** Dropdown menu with "Select County" selected. A green arrow points to the field.
- ZIP Code:** Text input field. A green arrow points to the field.
- \*Dispensed Start Date:** Date input field containing "01/29/2013". A red arrow points to the asterisk.
- \*Dispensed End Date:** Date input field containing "01/29/2014". A red arrow points to the asterisk.
- (Optional Fields)** - A text annotation on the right side with green arrows pointing to the "Within", "County", and "ZIP Code" fields.

At the bottom of the form, there is a legend: "\*Required Field. All required fields must be filled in. However, for the best search results, fill in as many fields as possible." Below the legend are "Next" and "Clear" buttons.

The footer of the page includes the Oregon Health Authority logo on the left and contact information for the Oregon Prescription Monitoring Program on the right: "Oregon Prescription Monitoring Program, 800 NE Oregon St., Portland, OR 97232, Phone: (971) 673-0741 / Fax: (971) 673-0990 / TTY: (971) 673-0990".

All fields with an asterisk (\*) must be filled out. If your search yields too many results enter data into the optional fields to refine your search

# Results

The screenshot displays the Oregon Prescription Drug Monitoring Program interface. At the top, the Oregon state seal and 'OREGON.gov' logo are on the left, and the program title 'Oregon Prescription Drug Monitoring Program' is in the center. A navigation bar includes 'Home', 'Query' (highlighted), 'Report Queue', 'User Management', 'Help', and 'Quick Links'. On the right, there is a 'Logout' link. A left-hand sidebar contains menu items: 'Recipient Query' (highlighted), 'Prescriber History', 'Query', and 'Prescriber DEA Query'. The main content area is titled 'Recipient Report' and shows details for a recipient named Lara Purple, born 06/17/1932, residing in Clatsop County, OR 97020. The report includes a dropdown menu showing '1 out of 1 Recipient(s) Selected - Click to View'. Below this is a table of prescriptions.

Contest	Date Dispensed/Date Prescribed	Drug Name/ NDC	Quantity Dispensed/ Days Supply	RX#	Prescriber	Dispenser	Recipient	*Payment Method
